We have constituted an advisory committee to help us in the task of identifying the worlds best available educational materials, toys, books and CDs which will become part of the Gunvatta collection. The know-how thus accumulated will be shared freely and become an asset of wider importance. It will be made available to all anganwadis, preschools, schools and parents looking for an alternative to junk toys for their children.

Thinking about, putting together, disseminating and making available a package of best toys and books for each age group of children and adults.

- Toys that delight
- Toys that children can make and break
- Toys that teach
- Toys and books that no one cannot afford
- Toys and books that no one can afford to be without
